## School Update with Bother Kamal

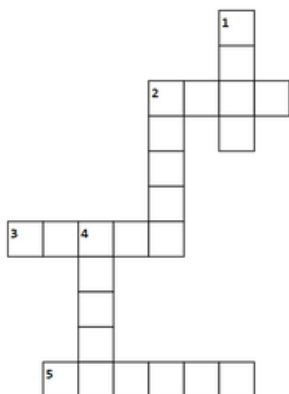

BY AMINA BABIKER AND HAFEZ ALFARRA

Salam Sunday schools plans to reopen for in person instruction by August 2021. We interviewed Salam Sunday School Principle, Brother Kamal, and he has helped us understand the nature the school campus will hold. He has assured that the school will follow the government's guidelines on in-person instruction. The school will ensure that teachers will get tested prior to starting the school year, and that they will follow the guidelines. There will be individuals assigned to enforce mask wearing and sanitization. Students will remain in one classroom and teachers will be the ones moving between classes. The school will try their best to follow safety precautions and lower the risk of COVID. If students don't feel comfortable coming in person, then they can attend virtually. We thank Brother Kamal for giving us some of his time and for updating us on the school plans.

## Sports Update

BY ABDUL QAUEEMI, AND AMEEN NELSON

The final score from the Super Bowl LV was Chiefs 9-31 Buccaneers winning the title. In the NFL season, the Kansas City Chiefs went an astonishing 16 wins with 3 losses, and the Tampa Bay Buccaneers went and pulled a strong 15 wins with 5 losses. Both teams played amazingly in the Super Bowl but in the end, the Tampa Bay Buccaneers came out strong with the win for the title, giving them the 3rd title for winning a Super Bowl championship! Although the Kansas City Chiefs won last season, their victory streak was broken, but hopefully, they can regain the title next season!
