

## Returning and New Parents:

**Step 1** - Visit <https://salam.sunwebapp.com>

**Step 2** – Login/reset Password.

- For new parents, Create An Account.

The screenshot shows the SunWebApp Online School Management System interface. At the top, there are three colored pencils (green, blue, red) next to the 'SunWebApp' logo and the text 'Online School Management System'. Below this, the school name 'SALAM Weekend School' is displayed in a large font. Underneath, a green bar contains the text 'Family Portal Login'. The main login area has a link 'New Family ? Create An Account' in blue. There are two input fields: the first is for 'username (email)' with a person icon, and the second is for 'password' with a lock icon. A green 'Login' button is positioned below the password field. At the bottom of the login area, there is a link 'Forgot Password? Reset Password'.

**Step 3** – Confirm returning students (repeat per student) – Skip this for new students

[Update Info](#) [Register](#)

- Update Information and confirm grade, names, DOB, and other fields.
- Register by selecting the core program only or with electives

**Step 4** – You may add new students or proceed to pay the tuition
